

Dr Ian Watson

**Tell your  
doctor**

# Been coughing for 3 weeks or more?

It could be a sign of lung disease, including cancer. Finding it early makes it more treatable. So don't ignore it, tell your doctor.

Search 'Be Clear on Cancer'

## Radiology Services

Has your GP referred you for an X-Ray?

Did you know that the Royal Berkshire Hospital provides X-Ray services at both Royal Berkshire Bracknell Healthspace and Townlands Memorial Hospital?

Both sites offer an alternative to our main walk in service, providing a timed appointment and free parking.

### Royal Berkshire Bracknell Healthspace:

Appointments available Monday – Sunday. Appointment times vary each week so please phone for an appointment on 01344 662928

### Townlands Memorial Hospital:

Appointments available Monday – Friday. Please phone for an appointment on 01865 903086

Follow us on Twitter @RBFTRadiology for links to all Radiology Services
