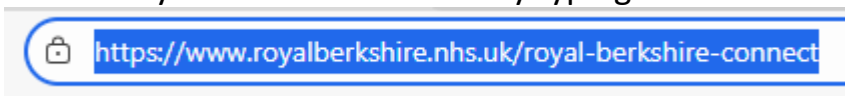
How to register a child on Royal Berkshire Connect for appointment reminders by text message and view all other hospital correspondence

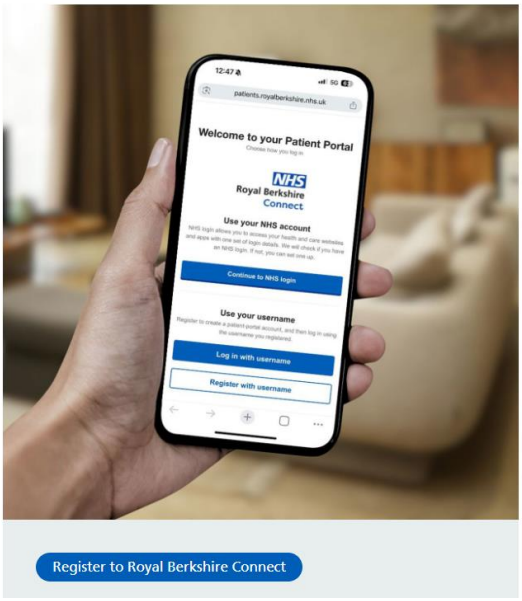
Please note you can only register your child on Royal Berkshire Connect if they have had a recent hospital visit or if they have a booked appointment.

Access Royal Berkshire Connect by typing into a search engine:

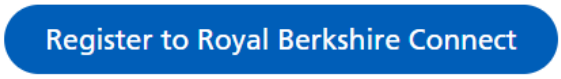


Or search for the **Royal Berkshire Hospital website**
select: **Your new patient portal Royal Berkshire Connect**

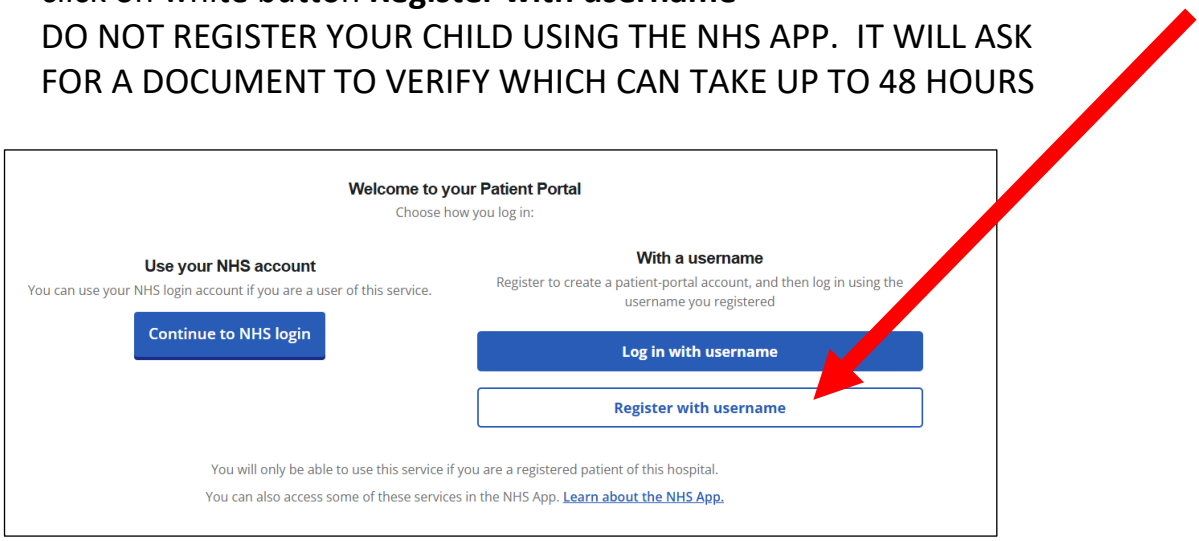
- Click on the **Register to Royal Berkshire Connect** button



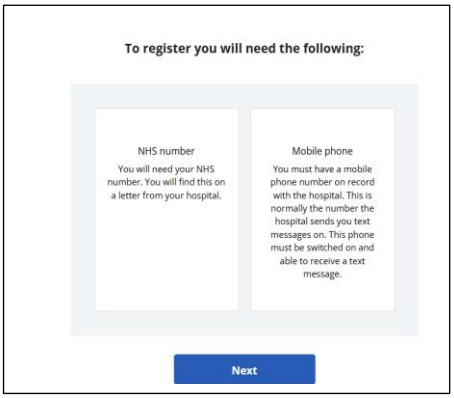
- Click on the **Register to Royal Berkshire Connect** button



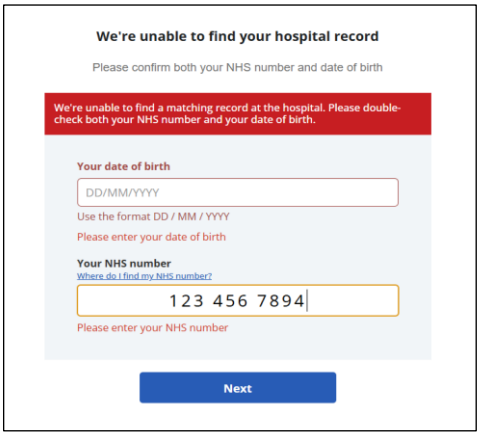
- click on white button **Register with username**
  DO NOT REGISTER YOUR CHILD USING THE NHS APP. IT WILL ASK FOR A DOCUMENT TO VERIFY WHICH CAN TAKE UP TO 48 HOURS

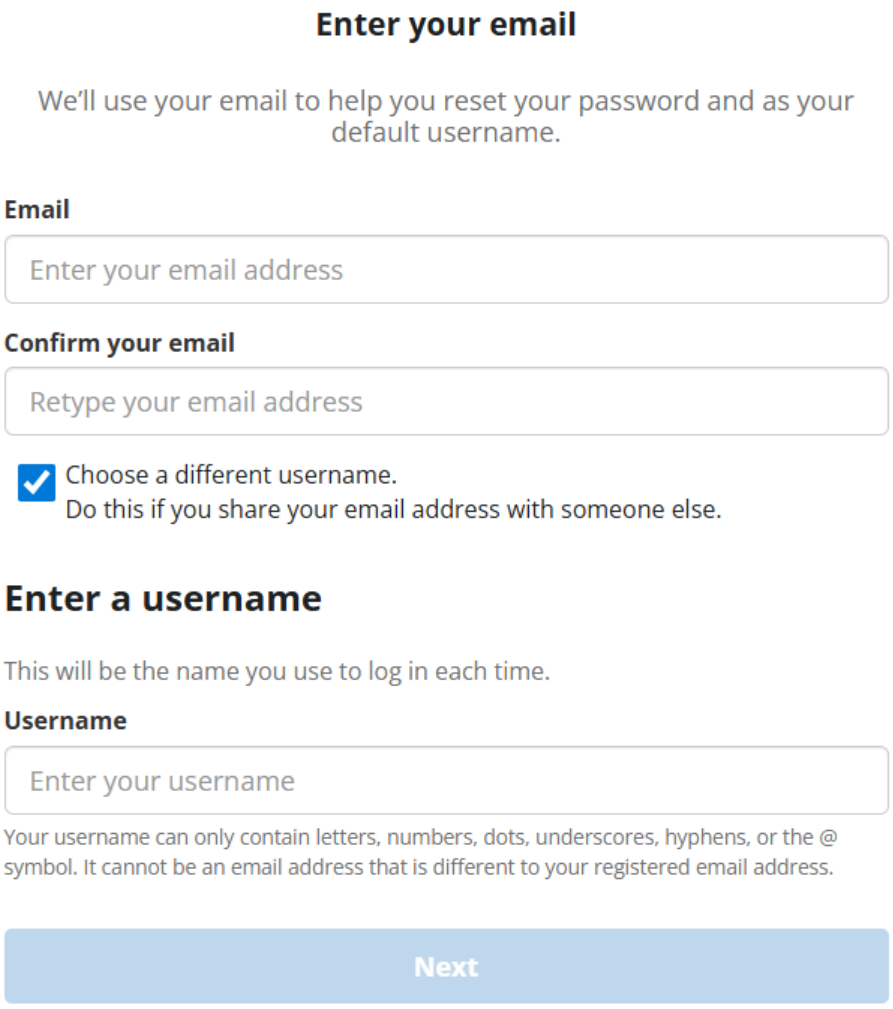


See pop up box with information on what is required to register your child: NHS and mobile no.



- Add your child's DOB and NHS no. Please note you can only register your child on Royal Berkshire Connect if they have had a recent hospital visit or if they have a booked appointment.





- Enter your email address
- Tick the box for new username using your email address. This will be required for registering your child.
