

Getting your child's pharmacy medications out of hours

This leaflet gives contact details and opening hours of Reading pharmacies that are open late or on Sundays. If you are not sure where your nearest local pharmacy is, you can use the pharmacy finder on [NHS.uk website](https://www.nhs.uk).

Dear Patient / Parent / Carer

Sometimes the hospital may give you a green FP10 prescription for medications only available from a community pharmacy. Unfortunately we do not have a community pharmacy on the hospital site that accepts FP10 prescriptions. The following Reading pharmacies may be able to get your prescription filled out but it's a good idea to ring them first to check before travelling:
