Your appointment

Your appointment letter will tell you the date and time of your appointment. Please check your letter carefully before you set off for your appointment and please let us know if you are unable to attend.

Please follow any instructions given in your appointment letter or card and follow the signs to the relevant department. The main reception desk is located on the ground floor – please ask the receptionists or any members of staff if you need help in finding your way to your appointment.

Facilities

Public toilets are located on both the ground and first floor and there is a nappy change facility on the ground floor. A Changing Places toilet equipped with hoist and shower is available on the first floor. Please ask at Main Reception for access to this facility.

Wheelchairs are available from the building main entrance. Please use your mobile to call the Bracknell switchboard number if you need a wheelchair brought to your car or any other assistance to access the building.

Special requirements

If you have any special needs relating to a disability, or you require language or communication support, please ring the telephone number given in your appointment letter so that appropriate arrangements can be made.

Refreshment and retail facilities

The building has an on-site catering facility providing light refreshments. This is located in the main atrium.

A free WiFi service is available in the chemotherapy and renal dialysis departments as well as in the main atrium space for patients and visitors to access the internet.

Infection control: what you can do

We take infection prevention and control very seriously. As an outpatient, the best way you can help contribute to preventing germs passing from one patient to another is by washing your hands or using the hand gel which you will find in all the clinical areas.

If you have recently had diarrhoea and/or vomiting, please wait until 48 hours has elapsed from your last symptom before visiting the hospital. Patients/visitors who suspect that they may have an infection should telephone the ward or department and ask for advice before coming in.

Friends and Family Test

You will be asked to give feedback by answering the government's Friends & Family test question – *How likely are you to recommend our ward or department to family and friends if they needed similar care or treatment?* - by filling in a card given to you before you leave hospital. If you haven't been given a card, please ask for one at the reception area in the ward or department you visited.
