

Your Breastmilk Bank Needs You

Could *you* become a breastmilk donor?

Giving sick or premature babies breast milk increases their chances of survival and helps their long term development.

Your nearest Human Breast Milk Bank is in the neonatal unit at the John Radcliffe Hospital, Oxford.

To register as a donor please contact:

Amanda Wood, Milk Bank Manager

email: amanda.wood@ouh.nhs.uk

or download an application form at

www.ouh.nhs.uk/infantfeeding
