

## Instructions for diabetic patients undergoing x-ray procedures.

### Instructions for **diet controlled** diabetics

There are no special instructions, just follow the instructions given in your appointment letter.

### Instructions for **tablet controlled** diabetic patients

Follow the instructions given in your appointment letter. Please allow a minimum of 6 hours between you taking your tablets and your appointment (if necessary please bring your tablets with you so that you can take them as soon as your examination is completed).

### Instructions for **insulin dependent** diabetic patients

Follow your normal insulin pattern allowing for the preparation advice given in your appointment letter.

If you require any further advice or help, please telephone the Radiology Nurses on 0118 322 8368.
