to make the hospital a
better place...

If you are very unhappy:

To contact them, please telephone or email Patient Relations – their contact details are at the top of this page. Patient Relations will then put you in touch.

If you or your carer needs help while you are in the hospital, ask one of the nurses to either call the Learning Disability Co-ordinator on ext 8159 or Patient Relations on ext 8338 (0118 322 8338 from outside).
